

NEWSLETTER – APRIL 2024

As we return from spring break, we welcome you back to preschool and hope that everyone had a lovely holiday! Please ensure you read your schedules for important information.

Summer Camps

All of our summer camps will be available on-line next week! If you are planning on registering, please do so as soon as possible as space will be limited. We have some pretty fantastic camps to choose from this year. All camps are Monday to Friday from 9:00am - 12:00pm and are all led by Kaleidoscope teachers. All children between 3-6 years old are welcome! Please feel free to invite friends or family! For complete details and to register, please visit our website.

Photo Gallery

We are busy uploading some of the latest events at preschool and most should be up this coming week. Don't forget to check out the photo gallery and download any pictures you like, as they will be removed over the summer.

GRIT Developmental Screening for September 2024

Just a reminder, we encourage families who have any concerns with their child's speech and/or development to fill out a request on our website. Early intervention is a very powerful tool! Screenings will be scheduled directly with GRIT Calgary Society.

M/W/F Programs

We had a visit from Calgary Reptiles in March, where the kids had an opportunity to meet, see and even pet a lot of creepy crawlies! We took quite a few pictures and have uploaded them to our website for you to enjoy!

This month we will be finishing off our spring theme before moving into our Zoo theme, where the kids will be learning about zoo animals before our special Mother's Day in May.

M/W/F Dates to remember

April 1st - Easter Monday (No School)

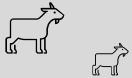

April 19th - PD Day (No School)

T/T Programs

Last month, the kids learned about their Five Senses. We had a fun visit from Mad Science Alberta, who brought Bubbly Potions to help teach about the 5 senses, while sharing a lot of laughs! We took quite a few pictures and have uploaded them to our website for you to enjoy!

This month we will be finishing off our spring theme and then we will be learning about Farms, and farm animals, before we get ready for Mother's Day in May.
